Designated Offerings Policy

Spending of money is confined to programs and projects approved through the annual budget or by the Directors. Each offering, designated towards an approved program or project, will be used as designated, with the understanding that when the need for such a program or project has been met, or cannot be completed for any reason determined by the Directors, the remaining offerings designated for such a program or project will be used where needed most.

Offering Envelopes

The Canadian government encourages charity work by allowing people to reduce their Income Taxes dependent on their gifts to charities each year. To support a claim, charities issue receipts at the end of the year for the total received from each person. Guelph Bible Chapel uses offering envelopes for this. If you would like envelopes, please speak to Elaine Finlay (519-822-7290.)

A rough draft of the 2012 directory is on the table at the back of the auditorium. Please review it and make any changes and/or additions that are necessary to keep it accurate
